Dear Dick:

25X1 Thank you for your letter of 20 February and the enclosed etc. (6)  
25X1 certificates. Those of [redacted]  
[redacted] are in order and [redacted] return to you for your retention until we  
send you orders for them which will be used in applying for passports.

25X1 The certificate of baptism on [redacted] is also in order  
and can be used as a legitimate document in application for a passport.

25X1 The certificate of naturalization on [redacted] is in per-  
fect order; and I believe he will find that it is not necessary to submit a  
birth certificate, as foreign birth certificates are not acceptable to the  
State Department. He will, however, need his certificate of naturalization  
on applying for his passport.

25X1 In the case of [redacted] on applying for a passport,  
the question that will arise will be: were his parents naturalized (I note  
25X1 that they were born in [redacted]), and are they residing in the U.S? He should  
have full facts on these questions when applying for his passport.

25X1 Note is made that [redacted] has previously held a  
passport.

As noted above, and on all these individuals, instructions will be  
sent to you very soon indicating the procedure for applying for a passport,  
in addition to the orders needed for this purpose.

I note that you have only given us the names of seven individuals.  
It was our understanding that you would be sending eight and would have an  
additional individual on a stand-by basis who would be fully documented and  
fully inoculated. If this is correct, I will look forward to hearing from  
you at your earliest convenience as to their names and receipt of birth cer-  
tificates.

TONY
